The screenshot shows the Vodafone Digital Parenting archive website. At the top, there is a navigation bar with the Vodafone logo, 'Shop', 'Why Vodafone', 'Help', and 'My Vodafone'. On the right, there are links for 'Find a store' and 'Network Status Checker', along with icons for a shopping cart, search, and user profile. Below the navigation bar is a large grey header with the text 'Digital Parenting archive'. Underneath the header are four icons representing different content categories: 'Expert advice' (info icon), 'Family views' (family icon), 'Trending' (speech bubble icon), and 'Be inspired' (lightbulb icon). The main content area is a grid of 8 issue covers, arranged in three rows. ## How can we help you?

We are a UK service supporting adults (aged 18+) who are experiencing intimate image abuse, also known as, revenge porn.

The Helpline was established in 2015 alongside the legislation which made it an offence to share intimate images or videos of someone, either on or offline, without their consent with the intention of causing distress. The Helpline is run by a small team of passionate and motivated individuals who are here and ready to help.
