

Each month we will be focusing on a different safeguarding theme to raise awareness and signpost to resources.

For January, our theme is
Keep Warm and **Stay Safe**.

- As it gets colder, life can become more challenging to stay safe and keep warm.
- It may be particularly challenging for example, for those who are very young, older people, those living alone or no support or chronic health conditions.
- You may be homeless or a rough sleeper.
- There is a range of information and resources for residents of Swindon to live in warmer, safer and healthier homes.
- Please view the next slide to find out more.
