

#LookCloser Programme of Learning

The
Children's
Society

October 2026- March 2027

We're delighted to invite you to join us for our latest #LookCloser programme of learning. These sessions draw from The Children's Society's expertise working around child exploitation and abuse and the rich insights gained from consulting with strategic partners and young people across England and Wales.

All sessions are free of charge and delivered on Microsoft Teams Live which means:

- Interaction with the presenters and participants will be limited
- There will however, be a Q&A function
- We will use tools such as Menti to provide opportunities for engagement and discussion.

The timetable below has links to each learning event on EventBrite, where you can book on to as few or as many events as you please. All of our sessions have been designed for various professional audiences, so please share these events with anyone you think would benefit from attending.

If you have any questions about our learning events, please contact prevention@childrenssociety.org.uk
